Proposed Changes for Final Rule

- Chapter 91

~~—(c) The Department will adjust fees for WQM permit applications required under subsection (a) every 2 years based on the United States Bureau of Labor Statistics Employment Cost Index for State and Local Government Compensation, or an equivalent index recognized by the United States Department of Labor, beginning 2 years after (Editor's Note: The blank refers to the effective date of the final form rulemaking). The adjustment will be based upon the cost difference for the most recent 2 year period prior to the calculation. The fees shall not be adjusted if the application of the index would result in fees exceeding the Department's costs to administer the Clean Water Program. The Department will publish the final adjusted fee schedule and effective date in the Pennsylvania Bulletin.~~

Proposed Changes for Final Rule

- **Chapter 91**

(de) Any Federal or Commonwealth agency or independent Commonwealth commission that provides funding to the Department for the implementation of the WQM program through terms and conditions of a mutual agreement and any municipality that is currently designated as a financially distressed municipality by the Department of Community and Economic Development under the Municipalities Financial Recovery Act, Act of 1987, P.L. 246, No. 47 (Act 47) may be exempt from the fees in this section.
