

**Site Inventory List for Lakes Surveyed 2000-2005**  
**by Ann Rhoads and Tim Block, Morris Arboretum of the University of Pennsylvania**  
**All Specimens deposited in the Herbarium of the Morris Arboretum (MOAR).**

<i>common name</i>	<i>scientific name</i>	<i>county</i>	<i>site</i>	<i>date</i>	<i>status</i>	<i>native</i>	<i>specim comments</i>
water starwort	Callitriche heterophylla	Susquehar	Silver Lake	7/26/2004	N	T	occasional in shallow water
stonewort (an alga)	Chara sp.	Susquehar	Silver Lake	7/26/2004	N	F	abundant in water to 6--8 feet deep
three-way sedge	Dulichium arundinaceum	Susquehar	Silver Lake	7/26/2004	N	T	occasional along the lake margin
long-stem waterwort	Elatine triandra	Susquehar	Silver Lake	7/26/2004	I	T	abundant in water to 4 feet deep around the lake margin
needle spike-rush	Eleocharis acicularis	Susquehar	Silver Lake	7/26/2004	N	T	frequent in shallow water
creeping spike-rush	Eleocharis palustris	Susquehar	Silver Lake	7/26/2004	N	T	occasional along the lake margin
waterweed	Elodea nuttallii	Susquehar	Silver Lake	7/26/2004	N	T	scattered
aquatic moss	Fontanalis sullivantii	Susquehar	Silver Lake	7/26/2004	N	T	abundant in shallow water throughout
spiny-spored quillwort	Isoetes echinospora	Susquehar	Silver Lake	7/26/2004	N	T	abundant throughout
Engelmann's quillwort	Isoetes engelmannii	Susquehar	Silver Lake	7/26/2004	N	T	scattered, not as abundant as I. Echinospora at this site
swamp-candles	Lysimachia terrestris	Susquehar	Silver Lake	7/26/2004	N	T	occasional along the lake margin
forget-me-not	Myosotis scorpioides	Susquehar	Silver Lake	7/26/2004	I	F	occasional along the lake margin
northern waterlily	Najas flexilis	Susquehar	Silver Lake	7/26/2004	N	T	forming mixed aquatic beds in water to 6--8 feet deep with Potamogeton pusillus, P. spirillus, Nitella, and Chara
stonewort (an alga)	Nitella sp.	Susquehar	Silver Lake	7/26/2004	N	F	abundant in water 6--8 feet deep
spatterdock	Nuphar variegata	Susquehar	Silver Lake	7/26/2004	N	T	scattered around the lake margin
fragrant water-lily	Nymphaea odorata	Susquehar	Silver Lake	7/26/2004	N	T	scattered around the perimeter
pickerel-weed	Pontederia cordata	Susquehar	Silver Lake	7/26/2004	N	T	scattered around the lake margin
ribbonleaf pondweed	Potamogeton epihydrus	Susquehar	Silver Lake	7/26/2004	N	T	common throughout
snailseed pondweed	Potamogeton pusillus	Susquehar	Silver Lake	7/26/2004	N	T	forming mixed aquatic beds in water to 6--8 feet deep with P. spirillus, Najas flexilis, Nitella, and Chara
<b>flat-leaved pondweed</b>	<b>Potamogeton robbinsii</b>	<b>Susquehar</b>	<b>Silver Lake</b>	<b>7/26/2004</b>	<b>PR/N</b>	<b>N</b>	<b>T</b> <b>common throughout</b>
snailseed pondweed	Potamogeton spirillus	Susquehar	Silver Lake	7/26/2004	N	T	forming mixed aquatic beds in water to 6--8 feet deep with P. pusillus, Najas flexilis, Nitella, and Chara
duck potato, wapato	Sagittaria latifolia	Susquehar	Silver Lake	7/26/2004	N	T	occasional along the marshy edges of the lake
arrowhead	Sagittaria rigida	Susquehar	Silver Lake	7/26/2004	N	T	abundant around the margin and forming dense stands of underwater rosettes in water ot 4--5 feet deep
bur-reed	Sparganium americanum	Susquehar	Silver Lake	7/26/2004	N	T	occasional along the lake margin
marsh St. John's-wort	Triadenum virginicum	Susquehar	Silver Lake	7/26/2004	N	T	frequent along the edge of the lake
water-celery	Vallisneria americana var. amer	Susquehar	Silver Lake	7/26/2004	N	T	scattered throughout

at the suggestion of Sherry Leap (NERO), I looked into Morris Arboretum's lake plant database, and they had surveyed Silver lake in 2004. You might want to attach their data too, which I attached to this email.

"PR" means Pennsylvania Rare - 1 species.,.,.,
