Hosensack Creek, Montgomery and Lehigh Counties Stream Redesignation Petition

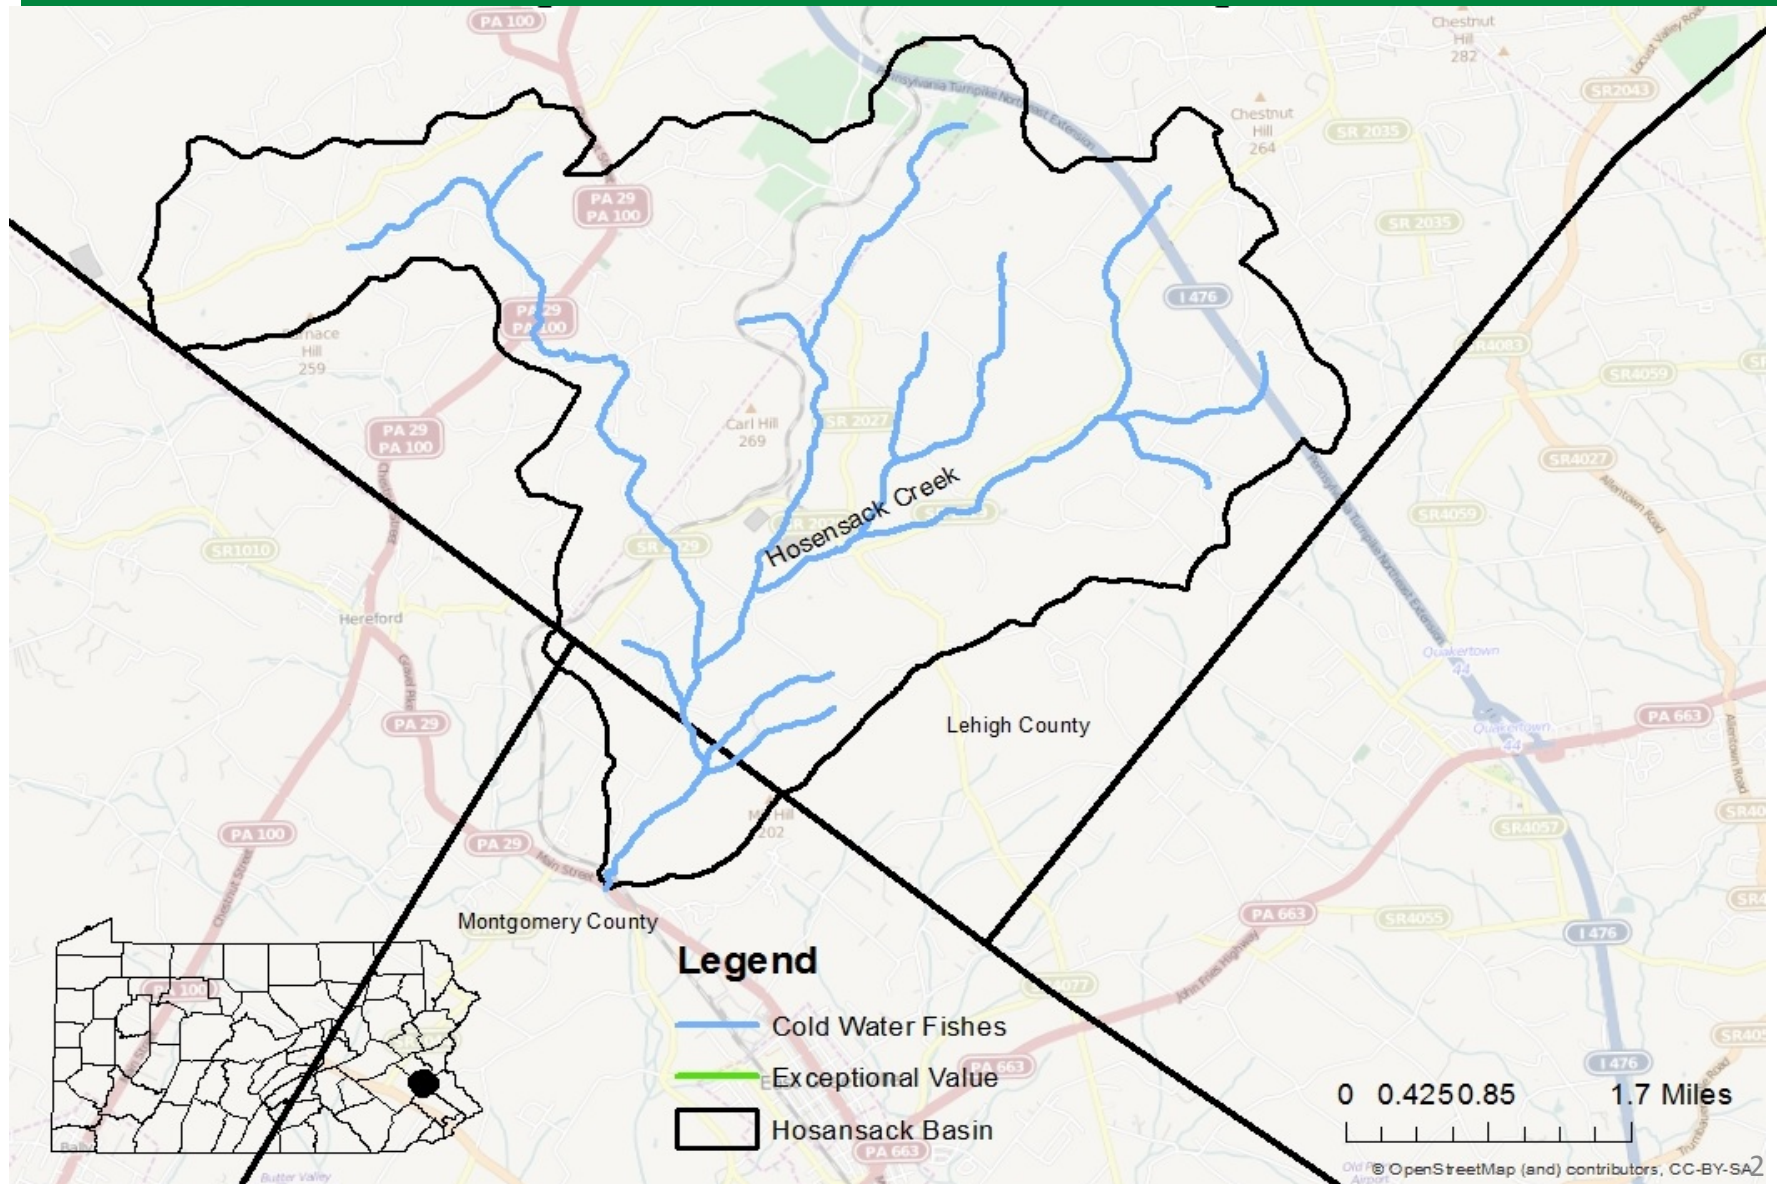

Petitioner:

The Delaware Riverkeeper Network

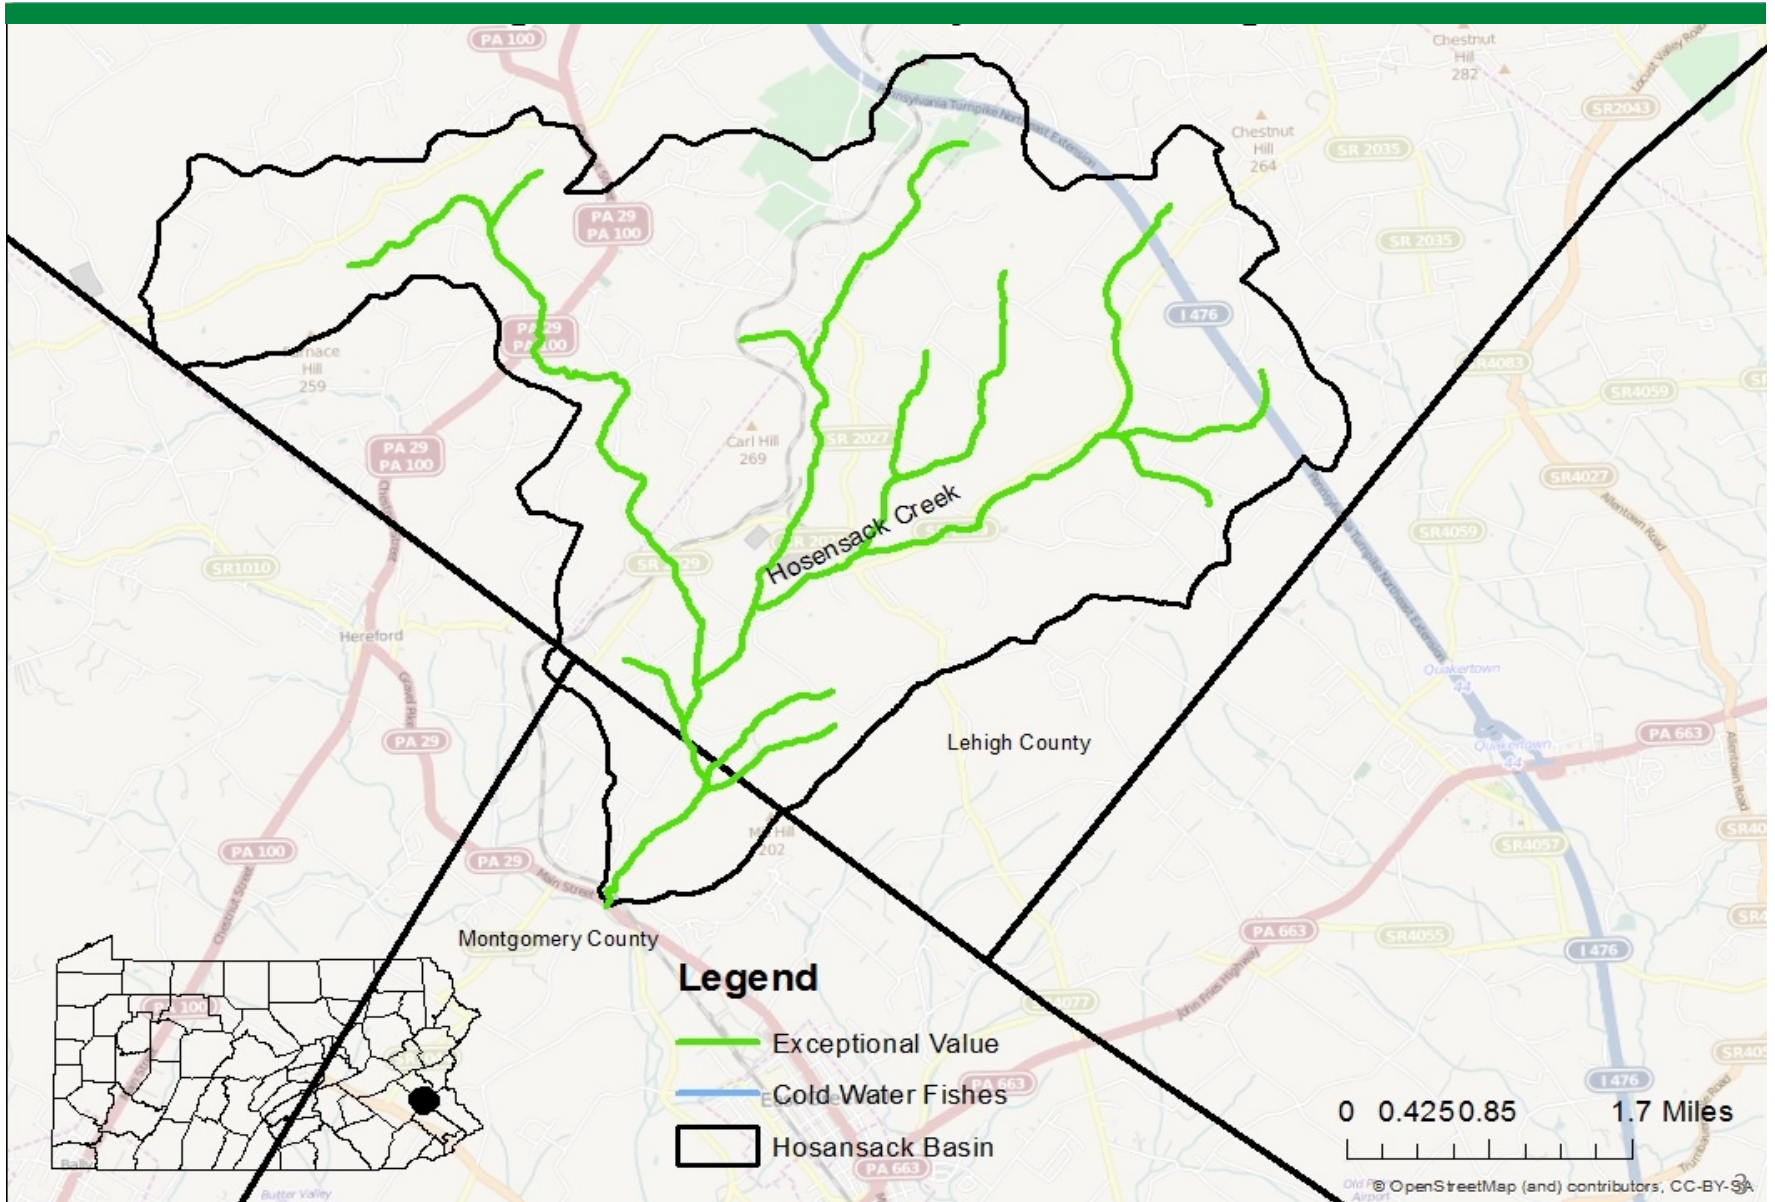

Environmental Quality Board Meeting

April 21, 2015

Current Designation: CWF, MF

Proposed Designation: EV, MF

Basis of the Petition

- Water quality, biological and other information was provided in support of the petition for Hosensack Creek.
- The petitioner believes an assessment of the submitted information will qualify the petitioned streams for Exceptional Value redesignation.

Department Findings

- Petition is complete
 - Information requirements have been met as defined in §23.2 of the EQB Petition Policy
- Redesignation request does not conflict with federal law
- The Department recommends the acceptance of the Hosensack Creek Petition
