Stream Redesignation Petition

- Submit petition to EQB via Policy Office
- Completeness review
- Present to EQB for consideration
- If accepted by EQB for further study:
 - Department conducts biological survey; file search; and public information request

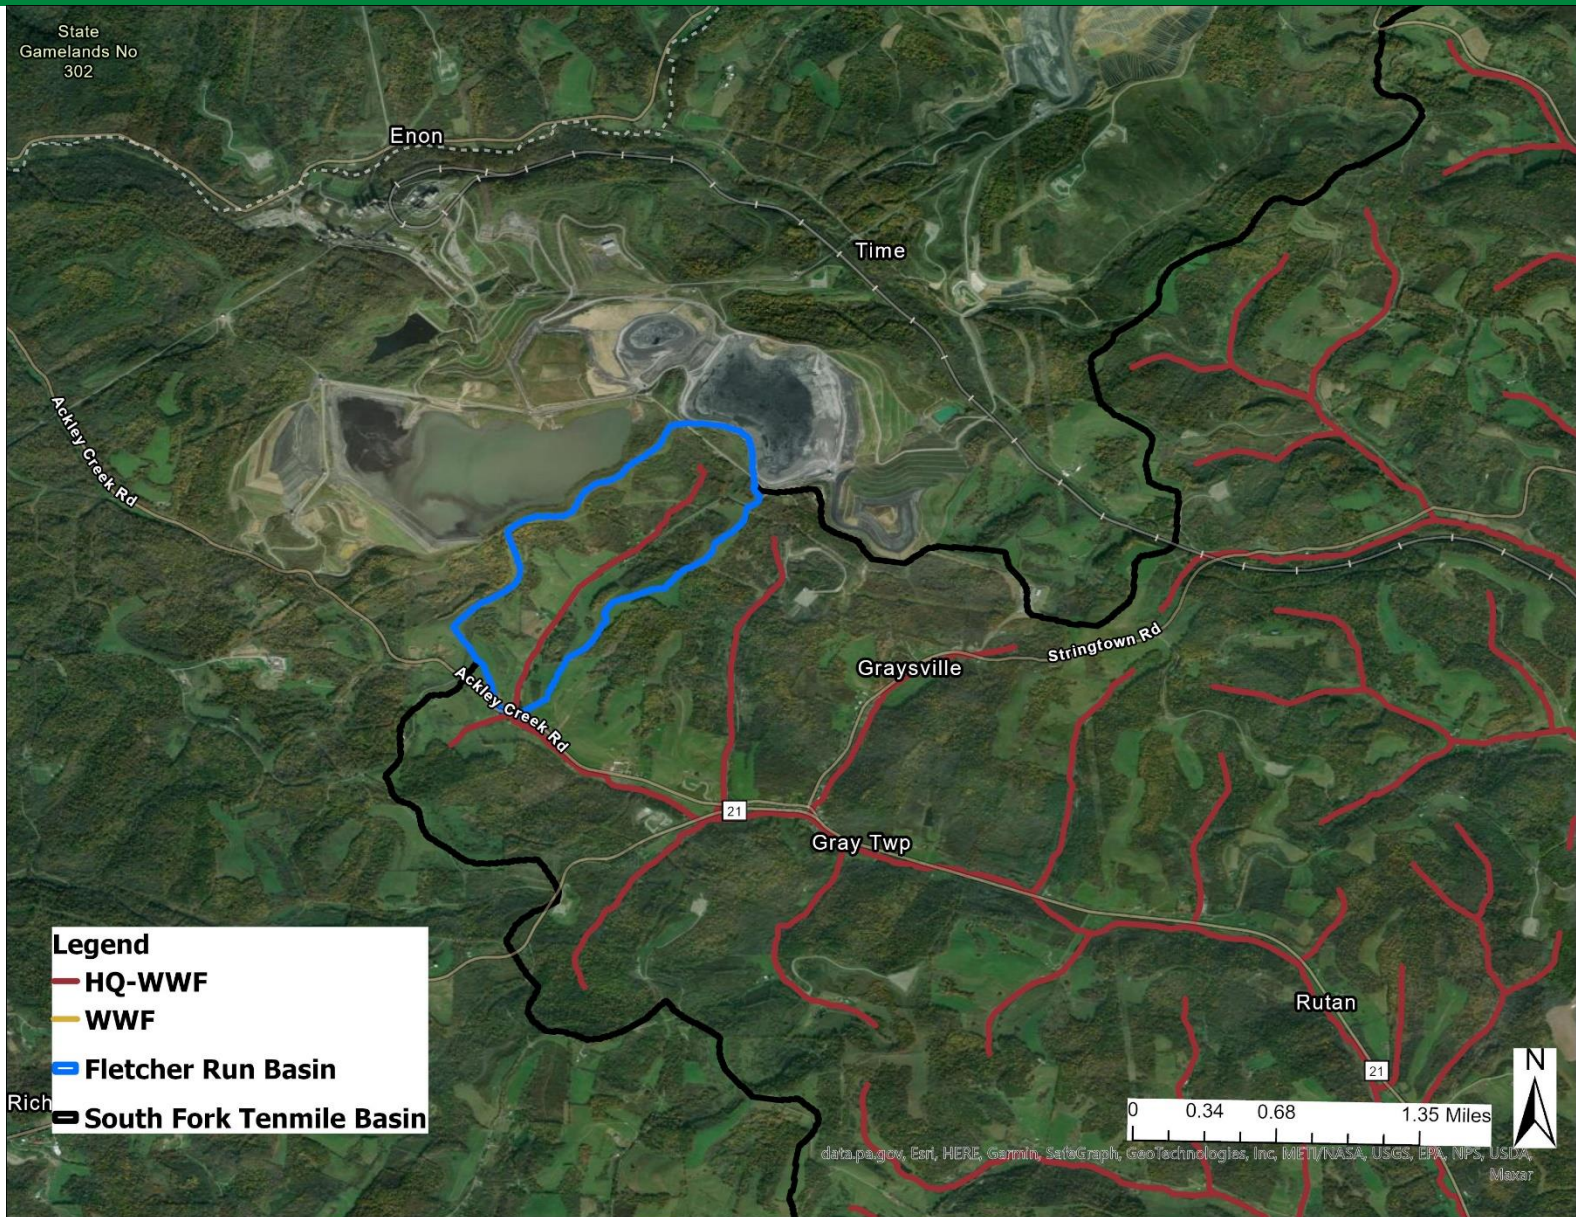

Current Designation: HQ-WWF

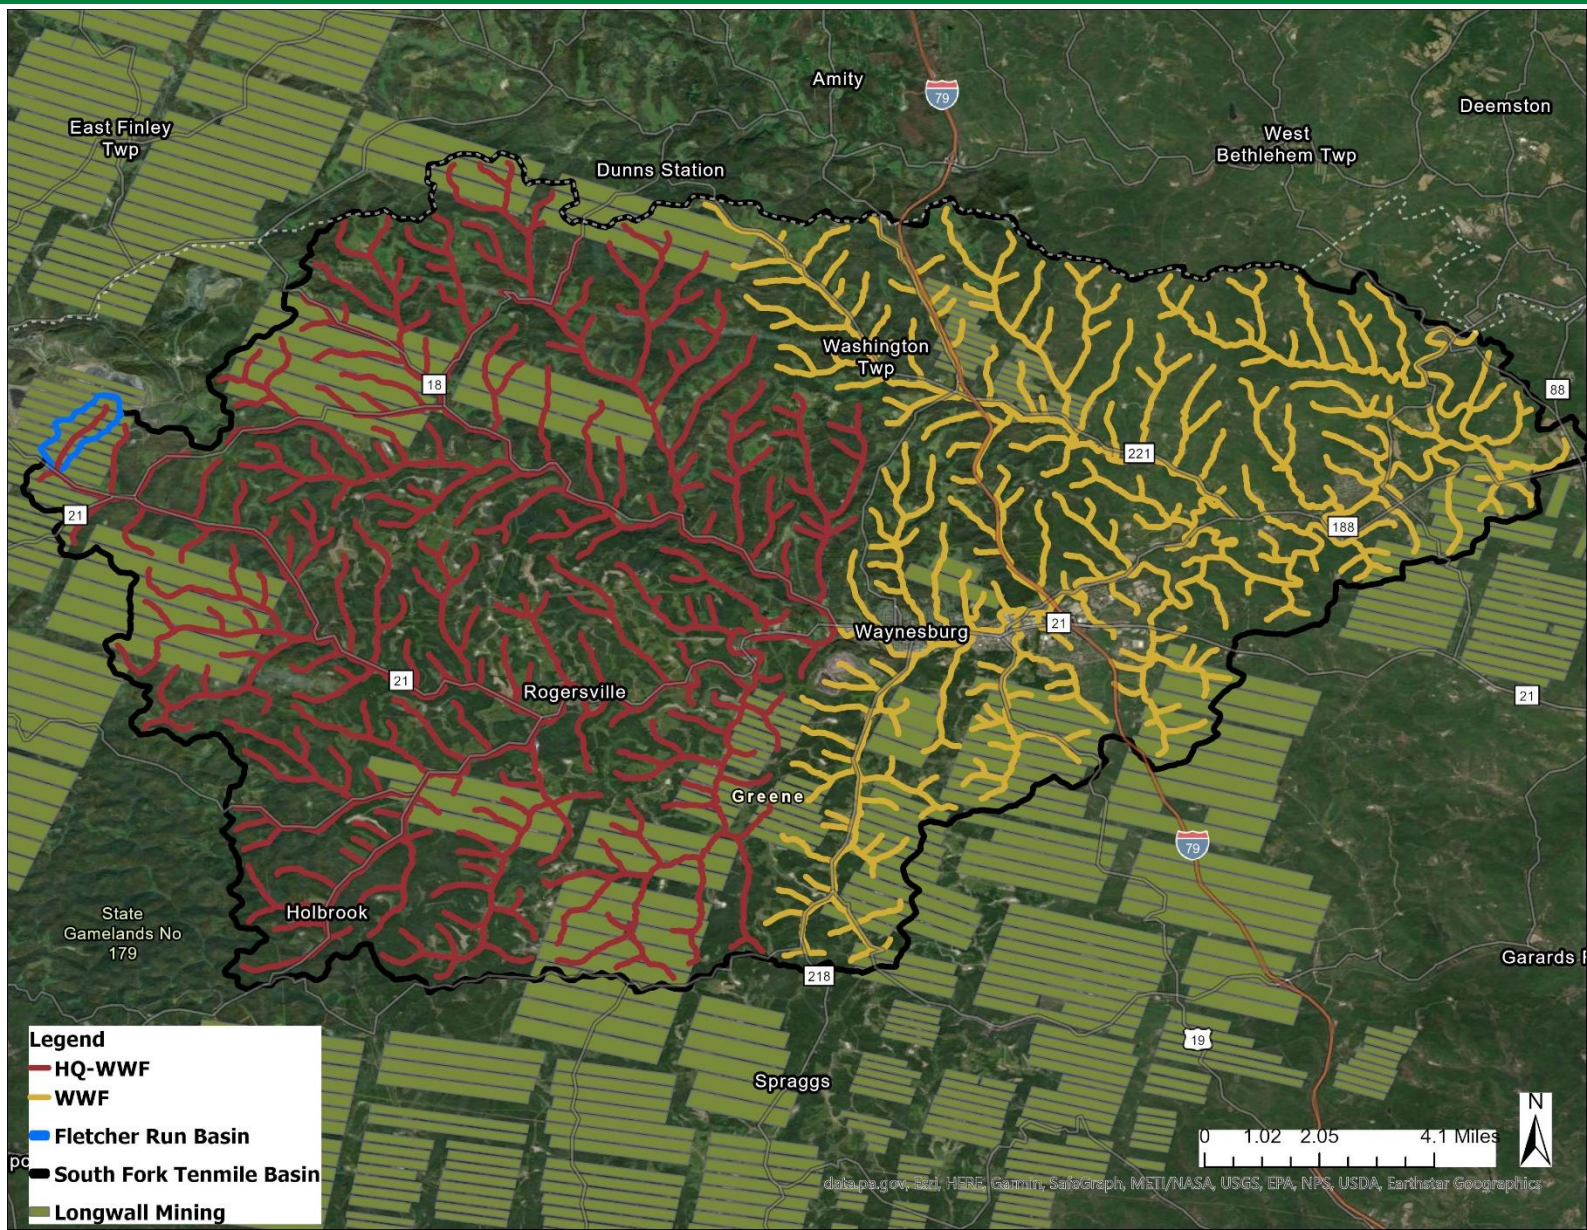

Proposed Designation: WWF

Permitted Activities

Permitted Activities (continued)

Basis of the Petition

- Water quality, habitat, and biological data was provided in support of the petition for Fletcher Run.
- The petitioner believes an evaluation of the petitioned stream will result in a less restrictive use.

Department Findings and Recommendation

- Petition is complete
 - Information requirements have been met as defined in § 23.2 of the EQB petition policy
- This redesignation request does not conflict with federal law.
- The Department recommends acceptance of the petition for further study.
