Dear Environmental Quality Board:

As Vice Chairperson of the PA Storage Tank Advisory Committee and as fill-in for John Arnold, Chairperson PA STAC at the last PA STAC meeting of June 10, 2008, I'm writing to inform you that the PA STAC voted to approve the June 10, 2008 draft revised rulemaking for Subchapter E. Technical Standards for Underground Storage Tanks for presentation to the Environmental Quality Board (EQB). A quorum was present at the June 10 STAC meeting and following review and discussion of the draft UST operator training regulations, the STAC voted to approve the rulemaking for presentation to the Environmental Quality Board as proposed rulemaking. The official STAC vote was 7 yes and 2 abstentions. A copy of the above referenced June 10, 2008 preliminary draft rulemaking is attached for your reference.

If you have any questions or need additional information let me know.

Sincerely,

Sunoco, Inc.
