Alex,

HDR is pleased to provide the attached Work Plan and Cost Estimate (CO07) to the Department for the planning, installation and maintenance of POET systems for several residences in Benner Township. A draft CO 07 was submitted to the Department on May 17 for review. The Department responded with minor comments and requested the CO to include budget for future sampling of potable wells for PFAS which is included in the final CO in Task 3012.

Please let me know if you have any questions.

Thanks,

Matthew Blanchard
