Re: Permit Renewal Application  
Blythe Recycling and Demolition Site (BRADS) Landfill  
Application No. 101679-A241  
Blythe Township, Schuylkill County

Dear Mr. David Pannucci:

Reference is made to the permit renewal application received by the Pennsylvania Department of Environmental Protection (Department) on January 25, 2024. This application is for renewal of the operating permit for Blythe Recycling and Demolition Site (BRADS) Landfill located at 1061 Burma Road in Blythe Township, Schuylkill County.

The renewal application was deemed administratively complete on January 29, 2024. Technical review of the renewal application commenced at that time. The Department issued a Technical Deficiency Letter on July 3, 2024 and November 13, 2024. On January 17, 2025 the Department granted an extension to the term of BRADS permit until July 30, 2025.

As you are aware, the Department has raised a number of questions with regard to the permit renewal, which although BRADS has responded, have not yet been resolved or determined. The extension will provide an opportunity for the Department and BRADS to further review and/or discuss these deficiencies with the permit renewal application and provide the Department time to reach a decision on the application. In order to allow for sufficient time for the Department to evaluate BRADS renewal application, the Department is hereby granting an extension to the term of BRADS permit until January 30, 2026. The enclosed Form 13-A provides the Department time to complete review of the renewal application. Except as explicitly identified in the permit conditions and the enclosed Form 13-A, no other operation or construction change has been approved.

If the terms of this extension are not complied with, it is not guaranteed that this permit term will be extended again. Therefore, if the conditions of this extension are not complied with to the satisfaction of the Department, BRADS may have to prepare to cease all operations at the site and commence closure activities.

Any person aggrieved by this action may appeal the action to the Environmental Hearing Board (Board) pursuant to Section 4 of the Environmental Hearing Board Act, 35 P.S. § 7514, and the Administrative Agency Law, 2 Pa. C.S. Chapter 5A. The Board's address is:
