Description of Proposed Land Development and Stormwater Controls:

Municipality: City of Sharon

Phase I – 80MW Substation

Phase I involves the construction of a new 80-megawatt (MW) substation designed to provide reliable electrical capacity for existing bitcoin mining operations.

Phase II – 80MW Data Center

Upon completion of Phase I, current bitcoin mining operations on the South Parcel will be decommissioned. This phase will include the construction and commissioning of an 80MW data center facility to replace the mining operations. The facility will be designed for high-performance computing, secure data storage, and scalable infrastructure to accommodate future technology needs

Phase III – 30MW Data Center and Substation

Phase III will include the construction of a 30MW substation and a new data center on the North Parcel. Existing bitcoin mining operations will cease entirely upon completion of this phase. The new 30MW facility will expand the site's total data center capacity and enhance redundancy and network reliability.

Section 1905-A of the Commonwealth Administrative Code, as amended by Act 14, requires that permit applicants give written notice to the municipalities and the counties in which the permitted activity is located. The written notices shall be received by the municipalities and counties at least 30 days before the reviewing state agency may issue or deny the permit.

Acts 67, 68, and 127, which amended the Municipalities Planning Code to support sound land use practices and planning efforts, direct state agencies to consider comprehensive plans and zoning ordinances when reviewing applications for permitting of facilities or infrastructure and specify that state agencies may rely upon comprehensive plans and zoning ordinances under certain conditions as described in Sections 619.2 and 1105 of the Municipalities Planning Code. For more information and guidance about this land use review process, please visit www.depweb.state.pa.us (keywords: land use review).

In accordance with DEP's Land Use Policy, enclosed please find a County Notification Form that is to be submitted with our permit application to DEP. **Please complete the attached form and return within 30 days to:**

Rachel McCune, P.E.
Civil & Environmental Consultants, Inc.
700 Cherrington Parkway
Moon Township, PA 15108
Phone: 412-429-2324

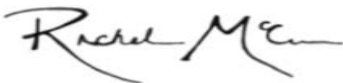

Please do not send the attached letter to DEP as we must include the County Notification Form with our permit application. If we do not receive a response from you within 30 days, we shall proceed to submit our permit application to DEP without the County Notification Form. If the County Notification Form is not submitted with our permit application, and we provide proof to DEP that we attempted to obtain it, DEP will assume there are no substantive land use conflicts and proceed with the normal application review process.
