

## General Information

Type of Notification*	Initial - New Notification
Postmark Date for Notification*	
This electronic form is not acceptable for projects in Philadelphia and Allegheny Counties. Please see: <a href="#">Link to Asbestos Information (Philadelphia)</a> or <a href="#">Link to Asbestos Information (Allegheny County)</a> .	
Project Location*	"Indiana - Center Township"
Will alternative methods to any of the applicable regulations be used?*	No
Type of Operation (check all that apply) *	Demolition
Demolition means the wrecking or taking out of any load-supporting structural member of a facility together with any related handling operations or the intentional burning of a facility. Notice of demolition must be submitted and received by DEP at least 10 working days before asbestos stripping or removal work or any other activity begins (such as preparations) that would break up, dislodge or similarly disturb asbestos material. Notice must be updated, as necessary, including when the amount of asbestos affected changes by at least 20 percent.	
Was there a previous abatement?*	No
