Received: December 22, 2025

Dear Mr. Cline:

The Department of Environmental Protection (Department) has reviewed the proposed alternate cap geosynthetics materials including HDPE and LLDPE Microdrain liner manufactured by Agru. The submission indicates the microdrain liner material meets the requirements of permit 300491, condition 22.C.

The Department accepts the use of the Microdrain liner material as outlined in the letter dated December 22, 2025.

If you have any questions about the acceptance or requirements of the Solid Waste Management Act, please contact Shawn Peters, P.E. at 814.332.6848. Thank you.

Sincerely,
