Blacklick and Center Townships, Indiana County:

Dear Mr. Gross,

On behalf of Homer City Generation, LP, please find enclosed the revised full application package for the above-referenced Chapter 105 Joint Permit Application for the Bruner Field Project. This submittal is provided in response to the elevated technical review comments issued by the Department.

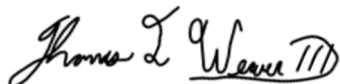

Revisions have been made to address the Department's comments, and the application materials have been updated accordingly. Portions of the application that have changed since the previous submittal include the following:

- Site Plan
- Project Narrative
- Environmental Assessment Form and Environmental Assessment Narrative
- PAG-02 approval letter

Please feel free to contact me, (412)-780-2889 or [Tom.Weaver@mbakerintl.com](mailto:Tom.Weaver@mbakerintl.com) with any questions or comments necessary to facilitate your review. Thank you for your assistance.

Sincerely,
