Enclose the check received from the applicant/permittee, ensure it is not stale dated (i.e., expired, no longer valid). If a check has expired or will expire within 15 business days of the transfer, please request a new check from the applicant/permittee to prevent non-compliance with the terms and conditions of their permit. DEP can provide additional time beyond the permit special condition to address such issues.

Forward the check and this form to:

Attn: Dave Goerman
 2nd Floor RCSOB
 Division of Wetlands, Encroachment, and Training,
 Bureau of Waterways Engineering and Wetlands
 Harrisburg, PA

A credit purchase receipt letter will be generated and emailed to the permit holder and issuing DEP email contact.

If you have any questions concerning a PIESCES credit purchase, please contact Dave Goerman by e-mail at dgoerman@pa.gov or by telephone at 717.772.5971.
