Dear Ms. Batoon,

Please be advised that Lower Mifflin Township does not have a Storm Water Management Plan. Cumberland County Pennsylvania does have a Storm Water Management plan which Lower Mifflin Township follows.

In regard to the Floodplain Management Plan, Lower Mifflin Township does have a Flood Insurance Study. The proposed activity for the above reference project has been studied. It is consistent with the FEMA Floodplain Management Program effective in Lower Mifflin Township.

If you have any further questions please contact the township office Monday's Tuesday's or Thursday's between 10am and noon.

Sincerely,

Clinton Barrick
Board of Supervisors, Chairman
