To: George Shearer
c/o Lack Township, Juniata County, PA

From: Rachel Silva

Please find within a copy of a letter and attachments sent to the Lack Township office (3030 Berry Ridge Road) on July 20, 2015. The letter and attachments are identical to what the Lack Township office received previously, but the purpose of sending again is so that we can provide the Pennsylvania Department of Environmental Protection with a copy of a **signed delivery confirmation** for the Joint Application for Pennsylvania Water Obstruction and Encroachment Permit and U.S. Army Corps of Engineers Section 404 Permit.

Should you have any questions, or would like to confirm delivery via email, please contact me at rachel.silva@tetrattech.com.
