

## MEMORANDUM

**TO:** PA DEP Southcentral Regional Office

**FROM:** Pennoni

**DATE:** March 2, 2023

**SUBJECT:** 7464 & 7600 Linglestown Road  
West Hanover Township, Dauphin County

---

Through coordination with your office, and a meeting held with Michael Dombroskie and Edward Muzic on February 20, 2023, minor adjustments were made to the impact plan to show that the proposed project will result in a total of less than 0.5 acre of permanent loss to waters of the United States, including jurisdictional wetlands. Pennoni is submitting the following updated attachments to the permit package via OnBase that reflect the impact reduction.

**Attachment H:**

Aquatic Resource Impact Plan – *Updated to reflect temporary and permanent impacts to WC.*

Aquatic Resource Impact Table – *L x W updated to reflect temporary and permanent impacts to WC.*

Project Description Narrative – *Language updated to reflect summary of total impact numbers.*

**Attachment J:**

Environmental Assessment Modules – *Throughout the EA, impact summary tables and narrative describing quantities of impacts to WC have been updated including:*

**Module S1.A.** - *Project Description Text, Tables S1.A and S1.B*

**Module S2.B** – *Aquatic Resource Table*

**Module S3.A** – *Project Impact Table*

**Module S3.C** – *Subfacilities Table for WC*

**Module S3.D** – *Project Impact Discussion, Tables S3.D.1 and S3.D.2*

**Module S3.F** – *Alternatives Analysis*

**Module S3.H** – *Cumulative Impact Text*

**Module S4.B** – *Preservation and Maintenance Text*
