Re: Rutters Store 093
NPDES Permit Application No. PAC310027
Smithfield Township, Huntingdon County

Dear Mr. Phillips:

M&G Realty/Rutters received a Notification of Elevated Review Letter from the Pennsylvania Department of Environmental Protection dated November 21, 2022 for the above referenced application. This letter indicated that a response fully addressing each of the technical deficiencies be provided to the Department within 15 business days from the date of the letter, on or before December 13, 2022.

Based on the nature of the comments, the upcoming holidays, and the fact that DEP staff is not available for questions until half of the 15-day deadline has passed, an additional 15 business day extension to the December 13, 2022 response deadline is respectfully requested. This would make the new deadline January 5, 2023. Please contact me at either 717-771-5950 or eric.hershey@rutters.com if additional information is needed to evaluate this request.

Sincerely

A handwritten signature in blue ink that reads "Eric W. Hershey".
