Dear Mr. Armstrong

As a result of an agreement entered into between Liberty Mutual Insurance and National Indemnity Company, Liberty Mutual Insurance Company ("Liberty Mutual") has appointed Resolute Management Inc. as its agent to handle and resolve certain environmental claims and requests, including this request.

This letter is Liberty Mutual's response to the Pennsylvania Department of Environmental Protection's ("PADEP") request for "information concerning insurance coverage related to the Bishop Tube HSCA Site ("Site")..." dated September 24, 2018. Further the PADEP states that "Sections 503(a) and 503(b) of HSCA, 35 P.S. §§ 6020.503(a) and 503(b) authorizes the Department to require Liberty to furnish all information and documents in its possession, custody, or control, or in the possession, custody, or control of any of Liberty's employees or agents, that concern, refer, or relate to the ability of a person to pay for or perform an environmental cleanup under HSCA. The Department requests that you send all such information and documents related to the insurance of Christiana by Liberty or any other insurance carrier that could pertain to Christi[a]na's ownership or operation of its business at the Site from 1974 to the present."

Please find enclosed copies of policies issued to Christiana Metals Corp. T/A Bishop Tube Company. Liberty Mutual has not disclosed this information to any other party and requests that the PADEP keep this information confidential.

While we have endeavored to provide you with accurate information, Liberty Mutual reserves the right to supplement or amend the enclosed documentation to the extent that Liberty Mutual determines that supplementation or amendment is necessary to ensure accuracy.
