Re: Boyertown Landfill Site
Douglass Township, Montgomery County

Dear Mr. Leonard:

At this time, the Pennsylvania Department of Environmental Protection (DEP) is formally referring the Boyertown Landfill Site (the Site) to EPA for potential inclusion on the CERCLA (Superfund) National Priorities List and/or Removal Response to mitigate immediate threats. The Site is comprised of the Boyertown Sanitary Disposal Landfill (Landfill) located at 300 Merkel Road, Douglass Township, Montgomery County, and the surrounding area, which consists of residential properties, an apartment complex, a few commercial properties, as well as agricultural land.

DEP has previously shared documentation with EPA and will provide any additional records, upon request. Please send requests for records to Colin Wade at 484.250.5722 or by email at cowade@pa.gov or Gina Thomas, Esquire, at 484.250.5861 or by email at githomas@pa.gov. Should you have any questions regarding this matter, please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "Patrick L. Patterson". The signature is fluid and cursive, with a long horizontal stroke at the end.

Patrick L. Patterson
