Christopher - If nothing about the project has changed since 2013, then in my opinion, the 2013 submission is still valid.

Subject: Elcon plan approval project review form (EV181065.01)

Hi Mark,

We're working on the Elcon air plan approval application. As part of the application the PA Historical and Museum Commission requires submission of a cultural resource notice form for an area disturbance of greater than 10 acres; however, as of July 1, 2018, it seems this form is no longer in use. The PHMC now requires the submission of a *Project Review Form*. A project review form was submitted back in 2013 for the project (see attached). Is this 2013 submission still valid?

Thanks,
