Dear Dr. Elgat:

On August 17, 2020, the Pennsylvania Department of Environmental Protection (DEP) received a letter from Mr. M. Joel Bolstein, counsel for Elcon Recycling Services, LLC notifying DEP that he, on behalf of Elcon Recycling Services, LLC was formally withdrawing the following applications for the Elcon project in Falls Township now pending before the Department:

Phase II RCRA Part B Application
Air Plan Approval Application
NPDES Stormwater Construction Permit Application
NPDES stormwater GP Application
Planning Modules Application

Pursuant to the withdrawal request, we are terminating our review of the above referenced applications without further action. We will keep a copy of each of the applications for our files. Because of the significant staff time spent on both administration and technical review to date, we will not be returning the application fees.

Dr. Zvi Elgat
