Subject: Plan Approval Application
Proposed Commercial Hazardous and Residual Waste Treatment
and Storage Facility
Elcon Recycling Services, LLC
Falls Township, PA
IES Project No. EV181065.01

Dear Mr. Beach:

On behalf of Elcon Recycling Services, LLC (Elcon), IES Engineers (IES) is pleased to submit an original and two copies of the enclosed Plan Approval application for a proposed commercial facility for treatment and storage of hazardous and residual liquid waste streams in Falls Township, Bucks County, Pennsylvania. An electronic copy is also being provided. The application is to authorize construction and operation of the treatment facility.

Additionally, pursuant to our discussion, IES will provide a copy of this application to the designated solid waste repository at the Burlington County Library in Westampton, New Jersey. We provided an additional copy of the application with this submission for the Department-maintained repository in Bucks County. If the Department would like IES to submit this application to the Bucks County repository, please provide the location and contact information for this site.

Elcon participated in a pre-application meeting with the Department on September 25, 2018. This application incorporates the Department's comments from this meeting.

The following documents are enclosed:

- General Information Form (GIF)
- Plan Approval Application Form
- Project Background & Emission Calculations
- Best Available Technology Analysis
- Regulatory Review
- Municipal Notification Letters (and proof of delivery)
- Air Pollution Control Act Compliance Review Form
