Re: Heidelberg Materials Rockhill Quarry Cessation Order

Dear Acting Secretary Shirley:

As the Representative of the 145th Legislative District, Bucks County, I am writing to express my concerns regarding asbestos at the Rockhill Quarry, East Rockhill Township, Bucks County, Pa, where mining operations are under temporary cessation. I feel strongly that it is in the best interest of the surrounding community that mining operations never resume at this location.

I respectfully request the mining permit be rescinded, and the quarry closed once and for all. If you have additional questions, please do not hesitate to contact me. Thank you for your time.

Sincerely,

A handwritten signature in black ink that reads "Craig T. Staats".
