Hello,

You are receiving this email from the Pennsylvania Department of Environmental Protection (DEP) because you have expressed interest in the Rock Hill Quarry in East Rockhill Township, Bucks County.

**As of February 28, 2022, mining and related activities remain under a cessation order.**

This email is to provide notice that DEP reviewed and approved Hanson's revised limited activity events sampling plan, dated February 1, 2022. A copy of the response is available on the project webpage. Approval of the sampling plan is contingent on a number of conditions, as outlined in the letter. Hanson will provide advanced notification to DEP prior to conducting any testing and DEP will be on site to monitor all activity. Community updates will be sent in advance of testing activity.

The project webpage is available at: [www.dep.pa.gov/rockhillquarry](http://www.dep.pa.gov/rockhillquarry). If you did not receive this email directly and you would like to be added to the mailing list, please contact [RA-EPmining@pa.gov](mailto:RA-EPmining@pa.gov) to be added.

Thank you for your continued interest in DEP's oversight of the Rock Hill Quarry.

Sincerely,

*John J. Stefanko*
