Comments/Recommendations: Enforcement since last FCE Yes No (If yes, attach summary)
Hellen Morris and I arrived on site around 10:30 am for a partial inspection regarding beginning construction of the permanent crusher. We met with Charlie Elwell and Stephen Balcerak who showed us where the wall behind the crusher has been and is continuing to be constructed. Please note that construction prior to the issuance of a plan approval is a violation. We also observed dust coming from the road leading up to the wall as trucks were driving on it. Please remember to water down this portion of road as well. Other roads had been watered and we observed the water truck actively spraying water.

Compliance Status: In Out Pending Awaiting Co. Report Needs a Follow-Up Inspection? Yes No
