**Re: Extension Request – November 18, 2020 PADEP Technical Deficiencies Letter
Hanson Aggregates Pennsylvania LLC
Rock Hill Quarry
SMP No. 7974SM1
East Rockhill Twp., Bucks Co., PA**

Dear Mr. Latsha:

Hanson Aggregates Pennsylvania LLC (Hanson) is submitting this extension request letter to you for the Department's consideration regarding the January 15, 2021 deadline mentioned in the Department's November 18, 2020 Technical Deficiencies letter. In order to provide the Department with a technically complete product, Hanson believes additional time is required. The following factors are contributing to an extended timeline:

- The continuing COVID-19 pandemic and restrictions related thereto present additional challenges to Hanson and its consultant's communication, workflow and interaction; and,
- The availability and schedules of Hanson and its consultants' staff have been impacted by the holidays included in the less than 2-month timeframe originally allowed for in the Department letter.

Considering the above information, Hanson requests a one (1) month extension until February 16, 2021 to respond to the Department's comments listed in the November 18, 2020 letter.

Please feel free to contact me at (610) 366-4819 should you require additional information.

Sincerely,

A handwritten signature in blue ink, appearing to read "Andrew J. Gutshall". The signature is fluid and cursive, with a long horizontal stroke extending to the right.

Andrew J. Gutshall, P.G.
Area Environmental Manager
