Re: Revised Rock Hill Quarry NOV Abatement Plan
Hanson Aggregates Pennsylvania LLC
Surface Mine Permit No. 7974SM1
East Rockhill Township, Bucks County

Dear Mr. Gutshall:

The Department has completed its review of the Revised NOV Abatement Plan (Plan) submitted May 9, 2019 to address the erosion and sedimentation improvements to the Sediment Trap 1 area at the Rock Hill Quarry Operation. With the proposed improvements/modifications, the Department approves the Plan with the following restriction. At this time and until approved by the Department in writing, onsite processed stone is not authorized for use in the improvements/modifications to Sediment Trap 1 area. Any processed stone required as part of the Plan and to be utilized in the improvements/modifications to Sediment Trap 1 area must be provided from an outside source.

If you have any questions, please contact me at 570-621-3118.

Sincerely,

Gary A. Latsha
Acting District Mining Manager
