RE: Discontinuation of Operation Under General Permits GP3-09-0157 & GP9-09-0083 for Portable Non-Metallic Mineral Processing Plant & Related Internal Combustion Engines by Richard E. Pierson Materials Corporation at the East Rockhill Quarry Site Located at 2055 North Rockhill Road, Sellersville, PA 18960

Dear Mr. Rebarchak:

Compliance Plus Services, Inc. ("CPS") is submitting this letter on behalf of our client, Richard E. Pierson Materials Corporation ("R.E. Pierson"), to notify the Department that operation under General Permit Authorization Nos. GP3-09-0157 and GP9-09-0083 for a portable non-metallic mineral processing (crusher) plant at the East Rockhill Quarry site referenced above has ceased and is discontinued.

R.E. Pierson has completed the project and activities at the Quarry site and no longer plans to operate the portable crusher plant at this location and will not be conducting activities under the GP3-09-0157 and GP9-09-0083 at this time. The portable equipment permitted under these General Permits has been either dismantled and/or removed from service or relocated out-of-state.

If you have any questions or comments related to this notification, please feel free to contact me by telephone at 215.734.1414 or by email at mlogan@complianceplusservices.com.

Sincerely,

A handwritten signature in black ink, appearing to read 'Michael D. Logan', is written over a circular stamp or watermark.

Michael D. Logan
Vice President, Environmental Services
Compliance Plus Services, Inc.
