Reclamation Fill Shortfall Updated Corrective Action Plan (CAP)

Dear Ms. Cursley:

The Department approved your updated corrective action plan (CAP) on April 13, 2017. The approval included a July 1, 2017 completion date for elimination of the reclamation fill deficiency noted in the Department's August 26, 2016 Compliance Order No. 16-5-031-N(CO). The Department's review of your most recent CAP Monthly Report (April 2017) indicates that based on your current reclamation fill placement; you may not eliminate the reclamation fill deficiency by July 1, 2017. The Department is hereby advising you of this potential violation and that enforcement or other actions may result if the deficiency is not eliminated by the July 1, 2017 deadline.
