Re: New Hope Crushed Stone & Lime Company  
Large Noncoal Surface Mining Permit No. 7974SM3  
Docket No. 15-5-048-N  
Solebury Township, Bucks County

Ladies and Gentlemen:

We have enclosed three (3) copies of the proposed consent assessment which we discussed to settle the civil penalty for the above order. Please review the documents carefully; you may choose to have them reviewed by your attorney.

If this settlement is acceptable, please sign all copies and return them all to me by February 29, 2016, along with the required payment. The documents must be signed by you and one witness. Upon receipt, I will obtain the remaining signatures, date the documents and return one to you for your files.

If the documents are not acceptable, or if you have any questions, please contact me at 570.621.3118.

Sincerely,

Gary A. Latsha  
Surface Mine Conservation Inspection Supervisor
