

Module 5: Property Interests/Right of Entry

Instructions: Provide the following information on 8½ x 11” sheets of paper. Attach the pages to this module and identify as Exhibit 5: Property Interests/Right of Entry. Use question number, letter and heading to identify information.

5.1 Surface Mining Activity Sites

For each parcel of surface land that will be affected by surface mining activities provide the following information (identify each parcel and key to the maps in Modules 6.2 and 9.1):

- a. Site name.

Rustic Ridge #1 Mine

- b. The names and addresses of every legal or equitable owner of record, the holder of record of any leasehold interest, and any purchaser of record under a real estate contract.

Refer to Attachment 5.1 for landowner names and addresses.

- c. Descriptions of the documents on which the applicant bases the legal right to enter upon the property and commence activities, including:

Parcel ID - 037 (Tax Map # 46.16.00.0.001)

- i. The type of document;

Lease Agreement

- ii. The date of execution;

1-18-2012

- iii. The specific lands to which the document pertains;

Surface parcel Tax Map Number 46-16-00-0-001, keyed to Exhibit 9.1 as Map ID Number 037.

- iv. The legal rights claimed by the applicant;

By virtue of this lease agreement, the operator has the right to enter upon and conduct coal mining support activities.

- v. Whether or not the applicant's right of entry is subject of current or pending court litigation.

The ownership is not subject to any pending litigation.

- d. The name and address of the owner of each surface and subsurface tract contiguous to the permit boundary of the site.

Refer to Attachment 5.1 for contiguous surface and subsurface ownership.

- e. The parcel number or tax identification number associated with each surface (use a period "." to separate the parcel number or tax identification number (ex. "12.345.5678").

Refer to Attachment 5.1 for contiguous surface and subsurface ownership.

- f. The name and address of the owner of each surface and subsurface tract within 1,000 feet of the permit boundary.

Refer to Attachment 5.1 for surface and subsurface ownership within 1,000 feet of the permit area.

5.2 Underground Permit Area

For each coal tract within the area to be mined underground, provide the following information (identify each parcel and key to the maps in Module 6.3 and the listing at Module 22.7.):

- a. All identification numbers should be sequential, arranged in sequence geographically, and be maintained for the life of the mine.
- b. The names and addresses of every legal or equitable owner of record, the holder of record of any leasehold interest, and any purchaser of record under a real estate contract.

Refer to Attachment 5.2 for mineral ownership and lease information.

- c. Descriptions of the documents on which the applicant bases the legal right to enter upon the property and commence activities, including:

- i. The type of document;

Refer to Attachment 5.2.

- ii. The date of execution;

Refer to Attachment 5.2.

- iii. The specific lands and coal seams to which the document pertains;

Refer to Attachment 5.2.

- iv. The legal rights claimed by the applicant'

By virtue of lease agreement, the applicant has the right to enter upon and commence mineral extraction.

- v. Whether or not the applicant's right of entry is subject of current or pending court litigation.

Applicant's right of entry is not subject of current or pending court litigation.

- d. The name and address of the owner of the seam to be mined on each subsurface tract contiguous to the underground permit boundary.

Refer to Attachment 5.2d for subsurface ownership contiguous to the underground permit boundary.

- e. Separate mineral ownership maps may be submitted for clarity.

5.3 Anticipated Permits

Identify any contiguous coal tracts or surface lands for which it is anticipated that individual permits for mining will be sought as a result of interest in lands, options or pending bids on interest held or made by the applicant.

LCT has secured interests in adjacent tracts that are in the exploratory stage.

5.4 Sewage and Water Treatment Authorities and Water Companies

List the names and addresses of all sewage authorities, water treatment authorities and water companies over the underground permit area.

Indian Creek Valley Water Authority
2068 Indian Head Road
Indian Head, PA 15446
(724) 445-2905

5.5 Local Government

List the names and mailing addresses of all local governments with jurisdiction in areas in which mining activities are located and/or above the proposed underground workings.
