- \$1,500 – Residual Waste Incinerator Facility
- \$700 – Residual Waste Transfer or Other Processing Facility, including Composting Facility
- \$5,800 – Residual Waste Demonstration Facility
- \$4,600 – Residual Waste Disposal Impoundment

iii.  \$400 – Residual Waste Permit Reissuance

iv.  \$300 – Residual Waste Permit Renewal

v.  \$300 – Residual Waste Minor Permit Modification

**SECTION G. PUBLIC NOTICE - SECTION 271.141 (MUNICIPAL), 287.151 (RESIDUAL)**

For a new permit, major permit modification, permit renewal, permit reissuance, and submission of a closure plan, attach the proof of public notice for each of the following:

1. Newspaper - Attach the name of the newspaper, circulation location, copies of the notice, and dates of publication.  
*See Attachment A-1 for newspaper notification.*
2. Municipality - Attach copies of the written notices sent to the host township and host county, and copies of the returned certified mail signature cards.  
*See Attachment A-2 for host county and municipality notifications.*
3. Contiguous Landowners - Attach copies of the written notice(s) sent to each landowner and copies of the returned certified mail signature cards.  
*See Attachment A-3 for contiguous landowner notifications.*

**SECTION H. MUNICIPAL WASTE MANAGEMENT PLANS AND PERMITS**

For a new permit, major permit modification, permit renewal, or permit reissuance of a municipal waste landfill or resource recovery facility permit, is the proposed facility located in a county that has an approved municipal waste management plan that complies with Section 513 of Act 101? Yes  No

If the above answer is "yes", the applicant must complete form 46 - Relationship between Municipal Waste Management Plans and Permits.

*Sanitary Landfill is located within Westmoreland County which has an approved Municipal Waste Management Plan. No information presented with this Permit Renewal Application will affect the relationship of this facility to the County Plan. A completed Form 46 is included in this application.*

NOTE: For each permit application, please submit the original (mark as such) and additional copies as requested by the Department's regional office.

Suite 101  
Greensburg, PA 15601

**Subject: Public Notification – Permit Renewal Application  
Westmoreland Sanitary Landfill, LLC. – Sanitary Landfill  
Rostraver Township, Westmoreland County, Pennsylvania.**

In accordance with Pennsylvania Code 25, Section 271.141, Westmoreland Sanitary Landfill, LLC. – Sanitary Landfill herein provides public notification of the submittal of a Permit Renewal Application on or about July 13, 2023 to the Pennsylvania Department of Environmental Protection (PADEP), Southwest Regional Office located in Pittsburgh, Pennsylvania. This application does not propose any design, operational or closure changes to the facility. The permit renewal is a procedural requirement whereby the permit documents for the facility are renewed on a periodic basis to allow the continuation of the existing landfill operations.

Copies of the application are available for review during normal business hours at the PADEP's office, 400 Waterfront Drive, Pittsburgh, Pennsylvania 15222-4745. Fees for copying may be charged by the PADEP. Copies of the application will be submitted to the East Huntingdon Township and Westmoreland County offices by the PADEP. The host municipality and county may submit comments recommending conditions upon, revisions to, and approval or disapproval of the application to the PADEP.

The PADEP will also accept and consider comments from the public during the permit review period. Comments should be sent to Bureau of Waste Management, Commonwealth of Pennsylvania, Department of Environmental Protection, 400 Waterfront Drive, Pittsburgh, Pennsylvania 15222-4745.

Should you require any additional information or have any questions regarding this project, please contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "Rich Walton", with a stylized flourish extending to the right.

This application does not propose any design, operational or closure changes to the facility. The permit renewal is a procedural requirement whereby the permit documents for the facility are renewed on a periodic basis to allow the continuation of the existing landfill operations.

Copies of the application are available for review during normal business hours at the PADEP's office, 400 Waterfront Drive, Pittsburgh, Pennsylvania 15222-4745. Fees for copying may be charged by the PADEP. Copies of the application will be submitted to the East Huntingdon Township and Westmoreland County offices by the PADEP. The host municipality and county may submit comments recommending conditions upon, revisions to, and approval or disapproval of the application to the PADEP.

The PADEP will also accept and consider comments from the public during the permit review period. Comments should be sent to Bureau of Waste Management, Commonwealth of Pennsylvania, Department of Environmental Protection, 400 Waterfront Drive, Pittsburgh, Pennsylvania 15222-4745.

Should you require any additional information or have any questions regarding this project, please contact me.

Sincerely,
