Re: Permit Transfer - Industrial Stormwater  
Sanitary Landfill  
NPDES Permit No. PAR506110 A-1  
Prior Permittee: Tervita LLC  
Rostraver Township, Westmoreland County

Dear Mr. Selker:

The Department of Environmental Protection has received your application for transfer of the above referenced permit. Based on a review of the facility, the DEP has determined that the applicable appendix for your facility is Appendix C, rather than the former Appendix J. The DEP has initiated an amendment your original permit to cover under Appendix C. Please note the increased monitoring frequency, and additional sampling criteria noted in the appendix of the permit. No change has been made to the permit expiration date.

Please study the General Permit carefully and direct any questions you have to this office. Particular attention should be devoted to Part A (Effluent Limitations, Self-Monitoring and Reporting Requirements) and the monitoring requirements applicable to your facility in **Appendix C** of the permit. A “master” copy of the Discharge Monitoring Report (DMR) form is enclosed and should be reproduced for ongoing submissions to DEP.

Also enclosed is the Annual Inspection Form (3800-PM-WSFR0083v), which must be completed in accordance with Part C 3.c (Comprehensive Site Compliance Evaluations and Recordkeeping) of the General Permit. The Form must be used to document annual inspections and must be retained on-site. The Form should not be sent to DEP unless the facility covered by the General Permit is an “Appendix J” facility, in which case the Form should be sent to DEP annually if stormwater sampling and analysis is not conducted in any year.

The statewide PAG-03 General Permit expires on December 4, 2015. Your coverage under the General Permit expires on the date identified on page 1 of the permit. A renewal application must be submitted to this office 180 days prior to the coverage expiration date, if a discharge is expected to continue past the expiration date of permit coverage. When the statewide General Permit is renewed, the permit will be published in the Pennsylvania Bulletin. Following publication of the final renewed General Permit, you must comply with the terms and conditions

of the renewed General Permit or otherwise submit an application for an individual NPDES permit.

Please complete the enclosed Laboratory Accreditation Form and submit it with your initial DMR (unless the facility covered by the General Permit is an "Appendix J" facility and is submitting the Annual Inspection Form instead of DMR.) You are not required to submit this Form again during the remainder of the permit term unless a change is made to the laboratory or methods used to analyze parameters in your permit.

Any person aggrieved by this action may appeal, pursuant to Section 4 of the Environmental Hearing Board Act, 35 P.S. Section 7514, and the Administrative Agency Law, 2 Pa.C.S. Chapter 5A, to the Environmental Hearing Board, Second Floor, Rachel Carson State Office Building, 400 Market Street, P.O. Box 8457, Harrisburg, PA 17105-8457, 717.787.3483. TDD users may contact the Board through the Pennsylvania Relay Service, 800.654.5984. Appeals must be filed with the Environmental Hearing Board within 30 days of receipt of written notice of this action unless the appropriate statute provides a different time period. Copies of the appeal form and the Board's rules of practice and procedure may be obtained from the Board. The appeal form and the Board's rules of practice and procedure are also available in braille or on audiotape from the Secretary to the Board at 717.787.3483. This paragraph does not, in and of itself, create any right of appeal beyond that permitted by applicable statutes and decisional law.

**IF YOU WANT TO CHALLENGE THIS ACTION, YOUR APPEAL MUST REACH THE BOARD WITHIN 30 DAYS. YOU DO NOT NEED A LAWYER TO FILE AN APPEAL WITH THE BOARD.**

**IMPORTANT LEGAL RIGHTS ARE AT STAKE, HOWEVER, SO YOU SHOULD SHOW THIS DOCUMENT TO A LAWYER AT ONCE. IF YOU CANNOT AFFORD A LAWYER, YOU MAY QUALIFY FOR FREE PRO BONO REPRESENTATION. CALL THE SECRETARY TO THE BOARD (717.787.3483) FOR MORE INFORMATION.**

If you have any questions, please contact Thomas G. Forsyth, E.I.T. at 412.442.4014.

Sincerely,

/s/

Christopher Kriley, P.E.  
Environmental Program Manager
