Extension Request for Benzene Waste Exceedance Notice of Violation Control
Plan**

Dear Mark,

Shell Chemical Appalachia LLC ("Shell") located in Beaver County, Pennsylvania is requesting an extension to the due date for the Control Plan as referenced in a Notice of Violation (NOV) dated September 11, 2023 relating to benzene waste.

The NOV included a request from the Pennsylvania Department of Environmental Protection (PADEP) for a Control Plan to be due within fifteen days (15 days). Shell requests another ten (10) days for a total of twenty five (25) days for submittal of the Control Plan. This would equate to a due date of October 6, 2023 for the Control Plan. Please let us know if this is acceptable and I can be reached at (724) 709-2467 or kimberly.kaal@shell.com.

Sincerely,
