The complaints were received on 3/4/22, 5/17/22 and 5/21/22. The complaint IDs are 362523, 364217 and 364338.  I informed the facility of the complaints and the facility responded with the results of their investigations, which are entered in CTS. Shell Chemical Appalachia has not observed any malodors crossing off of their property. This facility has not yet started production. Currently only the WWTP, Combustion Turbines and some auxiliary engines have entered service.  I observed Shell Chemicals and the other nearby facilities over the next four months. I did not observe any visible, fugitive or malodor emissions during those observations. All of my observations have been entered into the Complaint Tracking System.  I have not observed any malodors or violations. The complainants have not reported any additional malodors. These complaints were closed on 6/24/22 and 6/30/22.
