Comments/Recommendations:

Enforcement since last FCE ☐ Yes ☐ No (If yes, attach summary)

Today PADEP personnel attended a site tour at Shell chemicals Petrochemical complex in Potter Township.

Shell personnel explained the facility's processes and control equipment to the PADEP personnel. Shell then provided an on site tour of the entire facility via a bus. The facility was in operation during the site tour. A list of attendees is attached. I did not observe any visible, fugitive or malodor emissions today.
