TRAINING / TRAVEL UNDER ACT 101 903 GRANT PROGRAM REQUEST FORM INSTRUCTIONS

In association with the Department’s grant procedures and its rules and regulations governing travel, all grantees, including contractors, must obtain prior approval from the Department for out of state training/travel and virtual training associated with work (for which reimbursement from the Department shall be sought) under either of the following circumstances: (1) the travel expenses exceed $300; (2) the travel exceeds 300 miles from the applicant’s normal place of work or residence. These expenses may include, but are not limited to, mileage, lodging, subsistence, transportation, and registration fees.

For pre-approval of training and/or related travel expenses claimed for reimbursement under a 903 grant award, the grantee must submit via email a completed Training/Travel Request Form, which is available on the DEP Recycling Financial Assistance webpage under Act 101, Section 903, at https://www.dep.pa.gov/Business/Land/Waste/Recycling/Municipal-Resources/FinancialAssistance/Pages/default.aspx. This completed form shall be forwarded to the 903 Grant Program Manager in the Department’s Central Office at least four (4) weeks before training/travel is to occur. The Department will complete its review and forward to the applicant, within fifteen (15) working days from receipt of the request, the approval/disapproval of the requested expenses. This decision will be indicated upon the Training/Travel Request Form, which will be returned via email.

When submitting for reimbursement of these expenses, the 903 grant application must contain a copy of all invoices, receipts, and proof of payments associated with those expenses.

NOTE: Travel costs are to be reimbursed in accordance with, and are not to exceed maximums prescribed in, the Department Travel Regulations, as set forth in Management Directive 230.10 of December 13, 2019, as revised.
