

You are invited to attend DEP's Training Sessions on the new eDMR System.

These Sessions were previously scheduled for September 28 and 29, and have been rescheduled to November 16 and 17.

The current eDMR System that you have been using will be decommissioned by DEP and will be replaced by the new eDMR System residing within the DEP's application called Greenport. DEP has made many enhancements to the new eDMR System that will allow for you, the users, greater control over your reports and also easier access to previously submitted DMRs.

**DEP will be offering half-day Training Sessions on the new eDMR System on November 16th and 17th from 9:00 am to 12:00 pm and then again from 12:30 pm to 3:30 pm on both days (4 sessions total).**

Users are free to register for any of the Sessions that fit your schedule the best. If you are unable to make any of the available Sessions, a recording of the training will be posted to DEP's website for download that you can watch when time permits. You will receive an email when the recording is available.

Below are the links to register for the various Sessions. You will receive an email confirmation following your registration and another email closer to the dates for a reminder. ***You are encouraged to register for one of the Sessions in advance as there is a 200 dial in phone line limit per Session. Also, in the event that a Session must be cancelled for some reason, registrants will receive an email notification.***

Topic: eDMR Training 11/16 AM
