Attendance/Introductions

Goals and process

- 1) End goal—an adaptation plan that includes:
 - a. summary of initially defined vulnerabilities and risks with a process to permit/encourage a dynamic list
 - b. Identification of strategies to address vulnerabilities and risks that includes practical strategies and/or a data/research needs list
 - c. Prioritize list of strategies
 - d. Recommend both short term and long term plan to adapt beyond immediate priorities
- 2) Process
 - a. vulnerabilities
 - b. risks
 - c. implementation strategies and data gaps
 - d. prioritization (short term) and long term plan
- 3) Meeting goals
 - a. *September 13 meeting*: review work of July meeting, prioritize adaptation strategies
 - b. *November 8 meeting*: draft report presented to work group; discuss edits/revisions
 - c. **Revised deadline - November 22**: report submitted to DEP and Climate Change Advisory Committee. Final report to be released in January 2011.

November 8 Meeting –

- Review draft report that identifies and prioritizes adaptation strategies for: Transportation, Energy, Water and includes Building sector
- Discuss edits and revisions
- How to incorporate into template for final report covering all four working groups
