

Pennsylvania Department of Environmental Protection
Bureau of Environmental Cleanup and Brownfields
Division of Storage Tanks

DEP-PROVIDED TRAINING - SCHEDULE & REGISTRATION FORM

Our training locations have changed. See page 2 for training site information and addresses. The North-Central and South-Central regional sessions are being combined into one. **Online Training Sessions are designed to provide an alternative for certified tank handlers and inspectors who are headquartered out of state.** Applicants with a headquarters location within Pennsylvania must designate an alternative in-person session when requesting attendance to a webinar session.

Training is required for all DEP-certified tank handlers and inspectors during each renewal cycle and can be scheduled up to 2 years prior to their certification expiration date. Administrative and office staff are also encouraged to attend, space permitting.

Registration is **required no later than one week before** the scheduled training session. To register, **email** this registration form to Wendy Davis at wendavis@pa.gov. Wendy can be reached by calling (717) 772-5829.

Please Note: We reserve the right to change any scheduled in-person session to an online session due to inclement weather. Therefore, it is important that you **provide your current email address below.**
