

Weathering The Storm Workshop

on storm water

— Tuesday, September 19, 2017 —

8:30am-3:30pm

Dauphin County Agriculture & Natural Resources Center

1451 Peter's Mountain Road Dauphin, PA 17018

The Department of Environmental Protection, Department of Conservation and Natural Resources, Dauphin County Conservation District, and Penn State Extension have partnered to provide a free workshop for traditional and non-traditional educators on storm water management.

For teachers seeking Act 48 credits, this workshop qualifies.

The workshop will go over and complete activities from *Wet in the City* and *Rain to Drain*. Participants will receive both sets of curriculum at the end of the workshop.

Participants must register in advance by contacting Bert Myers at the Department of Environmental Protection.

Email: gimyers@pa.gov or 717-705-3767
