DESCRIPTION:	
View of PFO Wetland W1 in the northeast extent of the environmental survey area (ESA).	

A photograph of a wooded area with many bare trees and a small pond or wetland area in the background. The ground is covered with fallen leaves and twigs. The trees are mostly without leaves, suggesting a late autumn or winter setting. The water in the pond is calm, reflecting the sky and the surrounding trees. The overall scene is a natural, undisturbed landscape.

DESCRIPTION:	
View of PEM Wetland W1 in the northeast extent of the ESA. Photo is taken from the existing ROW and shows the existing Texas Eastern valve site in the distance.	

A landscape photograph showing a grassy field in the foreground, a dense line of bare trees in the middle ground, and a clear blue sky. In the distance, some buildings and a road are visible through the trees. The photo is taken from a right-of-way (ROW) and shows the Texas Eastern valve site in the distance.
