You have the right to file an appeal as to the terms and conditions of this permit.

This authorization does not relieve the applicant from applying for and obtaining any additional permits or approvals from local, state or federal agencies required for this project. Please be advised that if any other permits are required for this project, they must be issued prior to undertaking the activities described in those permit applications. Issuance of the enclosed permit(s) does not indicate an affirmative action on any other pending or future permit applications.
