RE: SSIP Application 19001 for 8 ASTs – New Facility

Dear Mr. Nero:

DEP has completed its technical review of your application for a Site Specific Installation Permit (SSIP) for the installation of eight (8) aboveground storage tanks at Coastal Chemical Co., LLC, Montgomery Borough, Lycoming County. Enclosed please find the approved SSIP #19-41-009. This permit should be kept on site and made available for inspection by DEP staff or DEP certified installers or inspectors.

Before placing product in the storage tank, an Operating Permit must be obtained by submitting a properly completed Storage Tanks Registration/Permitting Application form (2630-PM-BECB0514). The form must be signed by a DEP certified installer/inspector. DEP will notify the applicant when the tank is registered and the Operating Permit is issued.

Please note that the issuance of this Site Specific Installation Permit does not constitute the issuance of other DEP permits that may be necessary for this project. Ensure that all other required permits are in place prior to commencement of the project.

If you have any questions regarding issuance of your permit, please contact Mr. Eric Lingle at the number below.

Sincerely,

A handwritten signature in blue ink, appearing to read "Kris A. Shiffer".

PERMIT NO. 19-41-009

Name: Coastal Chemical Co., LLC  
County: Lycoming  
Municipality: Montgomery Borough  
Facility ID: New Facility

**AUTHORIZATION**

The Commonwealth of Pennsylvania, Department of Environmental Protection ("DEP"), hereby issues this Site Specific Installation Permit to the above-named Permittee and Facility, for the tanks:

*Eight ASTs storing Petroleum Products  
and Hazardous Substances*

*Total Capacity: 96,000 gallons*

The Department issues this Permit pursuant to authority granted it in the Storage Tank and Spill Prevention Act, The Act of July 6, 1989, P.L. 169, as amended, 35 P.S. § 6021.101 *et seq.* ("Storage Tank Act").

The Permittee is required to follow all requirements imposed by the Storage Tank Act, 35 P.S. § 6021.101 *et seq.*, the Storage Tank regulations, 25 Pa. Code, Chapter 245, and other statutes and regulations administered and enforced by the Department. The installation of new tanks must be completed by a DEP certified installer. The Permittee must also register the tanks and receive an operating permit prior to operating the tanks described above.

This Permit is issued pursuant to the application filed by the Permittee. All maps, reports, assessments and supporting documents submitted as part of the application process are incorporated by reference into, and become enforceable with this Permit. The Permittee may not deviate from the information set forth in the application for this Permit, without first obtaining the written approval of the Department.

This Permit is subject to the following Special Condition: None
