**Re: Withdrawal of Request for Confidentiality  
Plan Approval 08-00060A  
Wyalusing Township, Bradford County**

Dear Mr. Bailey

KDI Wyalusing Power LLC (KDI) submitted a Plan Approval Application (PAA) for the Wyalusing Energy Center (Wyalusing) to the Pennsylvania Department of Environmental Protection (PADEP) Northcentral Regional Office on December 26, 2024. At that time, Wyalusing submitted two versions of the PAA: a “confidential version” for PADEP’s review and a “public version” containing a request for confidentiality of certain proprietary information related to the Company’s competitive position in the marketplace. On behalf of the proposed Wyalusing Energy Center ALL4 LLC (ALL4) is responding to your February 6, 2025 letter requesting additional justification for the request for confidentiality.

Wyalusing reviewed the proposed redactions of select business-critical information and finds those proposed redactions to be supportable under the regulations, but considering the time delays that this request appears to add to the technical review process, Wyalusing has decided to withdraw its previous request for confidentiality.

Enclosed with this submittal is a revised copy of the PAA previously submitted and watermarked as “Confidential.” The document has been revised to remove the confidentiality claim and remove the confidential watermark. There have been no changes to the application’s technical content or attachments. Wyalusing hereby withdraws the previously submitted redacted version of the PAA.

Should you have any questions about this submittal, please feel free to contact Debra Raggio of KDI at 703-778-0841 x123 or [draggio@newfortressenergy.com](mailto:draggio@newfortressenergy.com).

Sincerely,  
ALL4 LLC
