RE: Plan Approval 60-00022A

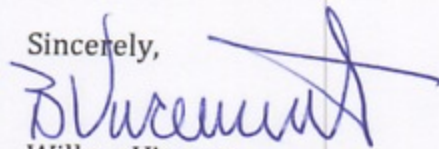

Mr. Zaman,

EN-TIRE Logistics has determined that due to business reasons, specifically the loss of site control in relation to the Plan Approval 60-00022A, that it requests that the PADEP terminate the current Plan Approval. Provided that PADEP's termination is based on this voluntary request, EN-TIRE does not intend to request an appeal of the termination of the Plan Approval 60-00022A.

EN-TIRE Logistics does intend to develop the project at an alternative site, once site control is secured. EN-TIRE Logistics will resubmit a request for permit and plan approval after a new site is secured.

EN-TIRE Logistics thanks the PADEP for its assistance in issuing Plan Approval 60-00022A. If you have any questions regarding this correspondence please feel free to contact the undersigned at 337-257-1708.

Sincerely,

Willess Vincent  
CEO, EN-TIRE Logistics, LLC
