Re: Keystone Sanitary Landfill
Major Permit Modification
Phase III Site Development
Application # 101247-A142
Auth # 1057908
Dunmore and Throop Boroughs,
Lackawanna County

Mr. Bellas,

Keystone Sanitary Landfill Inc. (Keystone) is providing the enclosed submission as a response to the Department's correspondence dated July 8, 2019. This submission package addresses the seven items that were outlined in the PADEP review of the Environmental Assessment Process for the Phase III Site Development Major Permit Modification. Contained in this submission are one original and two hard copies, an electronic disc set and a share file document link.

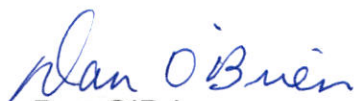

With respect to the Form R portion of the submission, Keystone has omitted the documentation from the share file link and electronic disc set that relates to the confidentiality elements of our customer base. This excluded document is included in the hard copy submission and is marked accordingly.
