Re: Erie Coke Corporation  
City of Erie, Erie County

Dear Mr. Nesselbeck:

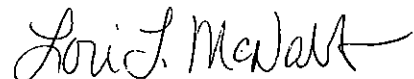

On July 9, 2019, the Department of Environmental Protection (“Department”) observed fugitive particulate matter emissions from Erie Coke Corporation (“Erie Coke”). The fugitive particulate matter emissions were visible outside of Erie Coke’s property, in violation of 25 Pa. Code § 123.2.

Any violation of the Air Pollution Control Act subjects a person to enforcement actions, including civil and criminal penalties. Each day the violation continues constitutes a separate offense.

This Notice of Violation is neither an order nor any other final action of the Department of Environmental Protection. It neither imposes nor waives any enforcement action available to the Department under any of its statutes. If the Department determines that an enforcement action is appropriate, you will be notified of the action.

If you have any questions concerning this matter, please contact me at 814.332.6634.

Sincerely,

Lori L. McNabb  
Environmental Group Manager
