Re. Cover Soil Stockpile Areas
Letter dated September 19, 2025
Homer City Generation (HCG), L.P.
Homer City Ash Disposal Site
Id. No. 300491

Dear Mr. Day,

The Department reviewed your letter dated September 19, 2025, indicating the expansion of the existing northern stockpile area and the addition of the western stockpile area. The areas identified are within the existing landfill permit area.

Based upon the information provided, the increase in the size of the existing soil stockpile area and the addition of the western soil stockpile area is allowed. Along with permitted stormwater and E&S controls, HCG shall implement additional best management practices consistent with 25 Pa. Code Chapter 102 - Erosion and Sedimentation Control including the use of silt fence and filter sock.

If you have any additional questions, feel free to contact Clem DeLattre at cdelattre@pa.gov.

Sincerely,

A handwritten signature in blue ink, appearing to read "Shawn Peters".

Shawn Peters, P.E.
