

### Wetland Mitigation Table

| Resource Name | Classification | Impact Acreage | Proposed Mitigation |
|---------------|----------------|----------------|---------------------|
| W-38A         | PEM            | 0.26           | RES                 |
| W-23          | PEM            | 0.08           | PIESCES             |
| W-30          | PEM            | 0.06           | PIESCES             |
| W-26A         | PEM            | 0.28           | PIESCES             |
| W-26B         | PFO            | 0.08           | PIESCES             |
| W-27          | PEM            | 0.02           | PIESCES             |
| W-28          | PEM            | 0.03           | PIESCES             |
| W-29          | PEM            | 0.01           | PIESCES             |
| W-44          | PEM            | 0.78           | PIESCES             |
