Ms. Helen Olechovski Hill, Secretary  
Burrell Township  
321 Park Drive  
Black Lick, Pennsylvania 15716

Dear Ms. Hill:

Subject: Act 14 Notification  
HCPP Pipeline Project  
Burrell, Blacklick and Center Townships, Indiana County, Pennsylvania  
CEC Project 354-010

This notice, under the requirements of Acts 14, 67, 68, and 127 of the Municipalities Planning Code, is to inform you that Homer City Generation LP (HCG) is applying for coverage under the National Pollutant Discharge Elimination System (NPDES) Individual Permit for Discharges Associated with Construction Activities from the Pennsylvania Department of Environmental Protection (PADEP) for construction activities related to the HCPP Pipeline Project. Additionally, HCG will be applying for Chapter 105 General Permits for Utility Line Crossings (GP-5) and Temporary Road Crossings (GP-8) for wetland, stream, and floodway impacts associated with the project.

Applicant Contact: Wes Brown  
Homer City Generation LP  
1750 Power Plant Road  
Homer City, Pennsylvania 15748  
Phone: (724) 723-1488

Project Location and Description: HCG proposes to construct approximately 5.8 miles of one (1) 30-inch steel gas distribution pipeline and approximately 0.4-mile of one (1) overhead power line within a 70-foot to 125-foot wide limit of disturbance (LOD), as well as temporary workspace areas to support construction. This project will also consist of the construction of an approximately 0.9-acre permanent gravel Metering and Regulation (M&R) and Interconnect Facility with associated permanent gravel access roads, a 900 square foot (sf) gravel pad and associated access road for an electric tap, and Post-Construction Stormwater Management (PCSM) Stormwater Control Measures (SCMs).

The proposed project begins in Burrell Township, Indiana County approximately 1.6 miles northwest of the intersection of S.R. 119 and State Route (S.R.) 22 at the proposed M&R and Interconnect Facility. The M&R and Interconnect Facility is located off an existing third-party

gravel access road that connects to Campbells Mill Road (S.R. 3011) in Burrell Township, Indiana County, Pennsylvania. From the M&R and Interconnect Facility, one (1) 30-inch steel gas distribution pipeline will traverse in a northerly direction for approximately 5.8 miles, ending at the proposed redeveloped Homer City Generating Station located in Center Township, Indiana County, Pennsylvania. The pipeline will cross Falling Run Road (Twp 449), McConnell Road (Twp 592), Blacklick Road (S.R. 3013), Dickey Road (Twp 455), and Power Plant Road (Twp 680). The electric power tap site is located off of Country Lane Road (Twp 442). From the electric power tap, an overhead electric line will traverse in a northerly direction for approximately 0.4-mile, ending at the M&R and Interconnect Facility.

Enclosed are the Municipal Notification Form, draft copies of Erosion and Sediment Control (E&S) and PCSM/Site Restoration (SR) Plans, and Site Location Map depicting the project location and extents of the project development. We request the Municipal Notification Form be completed and returned via email to [ckane@cecinc.com](mailto:ckane@cecinc.com) within 30 days of receipt. If you wish to submit comments to the PADEP, you must respond within 30 days to the PADEP Permitting and Technical Services Section at: Department of Environmental Protection, Office of Oil and Gas Management, Southwest Regional Office, 400 Waterfront Drive, Pittsburgh, Pennsylvania 15222. If you do not submit comments by the end of the comment period, PADEP will assume that there are no substantive conflicts and proceed with the normal application review process.

If you should require additional information, please contact us at (724) 327-5200.

Sincerely,

## MUNICIPAL NOTIFICATION OF PLANNED LAND DEVELOPMENT FOR CHAPTER 102 PERMITS

### PROJECT INFORMATION

Applicant Name: Homer City Generation LP  
Applicant Address: 1750 Power Plant Rd  
Applicant City, State, ZIP: Homer City, PA, 15748

Contact Name: Wes Brown  
Contact Phone: 724-479-6256  
County: Indiana

Description of Proposed Land Development and Stormwater Controls:

Municipality: Burrell Township

Homer City Generation LP proposes to construct approximately 5.8 miles of one (1) 30-inch steel gas distribution pipeline and approximately 0.4 miles of one (1) overhead power line within a 70-foot to 125-foot wide limit of disturbance (LOD), as well as temporary workspace areas to support construction. This project will also consist of the construction of an approximately 0.9-acre permanent gravel Metering and Regulation (M&R) and Interconnect Facility with associated permanent gravel access roads, a 900 square foot (sf) gravel pad and associated access road for an electric tap and Post-Construction Stormwater Management (PCSM) Stormwater Control Measures (SCM).

Project Area: 101.8 acres  Phased

Disturbance: 101.8 acres

Surface Waters Receiving Stormwater Discharges:

The proposed project begins in Burrell Township, Indiana County approximately 1.6 miles northwest of the intersection of State Route (S.R.) 119 and S.R. 22 at the proposed M&R and Interconnect Facility. The M&R and Interconnect Facility is located off an existing third-party gravel access road that connects to Campbells Mill Road (S.R. 3011) in Burrell Township, Indiana County, Pennsylvania. From the M&R and Interconnect Facility, one (1) 30-inch steel gas distribution pipeline will traverse in a northerly direction for approximately 5.8 miles, ending at the proposed redeveloped Homer City Generating Station located in Center Township, Indiana County, Pennsylvania. The pipeline will cross Falling Run Road (Twp 449), McConnell Road (Twp 592), Blacklick Road (S.R. 3013), Dickey Road (Twp 455), and Power Plant Road (Twp 680). The electric power tap site is located off of Country Lane Road (Twp 442). From the electric power tap, an overhead electric line will traverse in a northerly direction for approximately 0.4 mile, ending at the M&R and Interconnect Facility.

Discharge to:  MS4  Other SS  CSS

The following information was submitted to the municipality for this project:

Land Development / Subdivision Plan  E&S Plan  PCSM Plan  Other:

### MUNICIPAL PLAN / ORDINANCE INFORMATION

- Is there an adopted municipal or multi-municipal comprehensive plan?  Yes  No
- Is there an enacted municipal or multi-municipal zoning ordinance?  Yes  No
- If Yes to #2, is the proposed project consistent with the ordinance?  Yes  No

4. Is there a municipal stormwater management ordinance?  Yes  No

5. If Yes to #4, is the proposed project consistent with the ordinance, without waiver?  Yes  No

6. If Yes to #4, indicate type of ordinance:  Act 167 Model Ordinance  DEP Model Ordinance (MS4s)  Other

APPLICANT CERTIFICATION	MUNICIPAL ACKNOWLEDGEMENT
<p>I certify under penalty of law (see 18 Pa.C.S. § 4904 (relating to unsworn falsification)) that the information reported herein was prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gathered and evaluated the information submitted. Based on my inquiry of the person or persons who manage the information, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations.</p>	<p>The municipality acknowledges that a permit application for the above-referenced project has been submitted to a reviewing agency and that notification requirements of Act 14 of 1984 and Acts 67, 68, and 127 of 2000 have been satisfied. The information reported herein by the applicant regarding municipal plan and ordinance information is true and accurate. The municipality reserves the right to comment to the reviewing agency relative to comprehensive plans, zoning, and stormwater ordinance consistency. Municipal acknowledgment of receipt of notification shall not be construed as project approval.</p>
